	MEMORANDUM	TO:	Chief,	CIA/PID	(NPIC)						
m	THROUGH	:	: Chief, CIA/PID (NPIC)								
	FROM	:	Chief,	Support	Section						
	SUBJECT	: [		E	Exploitatio	n Proposal					
<b>)</b> .	l. If proper controls are used, and the contract is carefully monitored, the results should be better than that realized from individual contracts let to several contractors. The proposed areas of investigation are related, and developments should be compatible since only one contractor is involved.										
	2. I do question the capabilities of in regards to Data Handling and Mensuration Techniques. However, they are certainly well qualified in the other areas.										
	3. It is recommended that provision be made for terminating the contract at the discretion of the Government at any time.										

Declass Review by NGA.
